Hello Ms. Donohue,

Thank you for your e-mail, we did receive it. Unfortunately, we need to ask that you submit your review using the encrypted link provided below. Unfortunately, without your review being submitted through the peer-review system it will not be included as part of the assessment.

Deliberative Process / Ex. 5

In using this link the system should allow you to complete your review and include any comments to the author, technical editor, or editor. The system should also allow you to upload any additional references you wish to include. I have extended the due date so additional system-generated reminders are not sent before you can complete your review.

If you experience problems in using the system, please let me know and I will see what I can do to assist.

We appreciate you serving as a reviewer for Journal AWWA.

Sincerely,

Cindy Uba

Dear Cindy:

My review of the paper is attached as well as copies of two references that will help the author.

Please let me know if you receive my e-mail. I was uncertain about the way I was to submit it.
